

EMOTION is an **Erasmus Mundus Joint Master Program** funded by the European Commission that educates the future generation of **translational scientists in the skin health & care sector**.

EMOTION is a **2-year English-taught program** that involves the *Università del Piemonte Orientale* (Novara, ITALY), the *Universidad Miguel Hernández* (Elche, SPAIN) and the *Université de Namur* (Namur, BELGIUM) and **delivers a double degree**.

EMOTION is a unique program that covers the entire spectrum of activities of R&D, from **ideation to marketing**. The consortium, alongside academics, involves several **industrial partners** and many lectures are held by **guest lecturers that work in the field**.

EMOTION is open to motivated and bright students that want undertake a career in R&D, contributing to the conception and **development of innovative dermatological drugs, cosmetics and medical devices for skin well-being**.

Skin has a special social meaning and expresses who we are and how we feel. **Skin wellbeing**, including healthy aging, is not only a matter of appearance and self-confidence, but a **health priority in the modern world**.

EMOTION is designed to train students in three different sectors related to skin health & care:

-  **COSMETICS**
-  **DERMATOLOGICAL DRUGS**
-  **MEDICAL DEVICES**

These three fields are **exponentially expanding**, constantly craving for innovation, invest heavily in **innovation and R&D**, and hire a high number of qualified scientists.

WHAT IS DIFFERENT IN EMOTION?

Active and functional ingredients need to be thought, designed, synthesized or extracted, intellectually protected, formulated, tested, validated, packaged, and marketed.

EMOTION offers a **multi-disciplinary programme** that melts the understanding of **all the aspects involved in R&D**, creates highly trained personnel and fosters **entrepreneurship initiatives**.

-  Students with Erasmus+ **Scholarship** receive a scholarship of € 1.400 euros per month for 24 months.
-  **Non-fee paying** self-funded students do not have to pay participation costs.
-  **Fee-paying** self-funded students are required to pay participation costs (€ 4.500 per academic year; € 9.000 in total).

IS EMOTION FOR YOU?

A program that fosters the science-driven connection between the **dermatological and the cosmetic sciences**

A program that aims at contributing to **skin appearance, as well as skin health**

A program that **oversees the entire process from ideation to commercialization**, with a project management approach

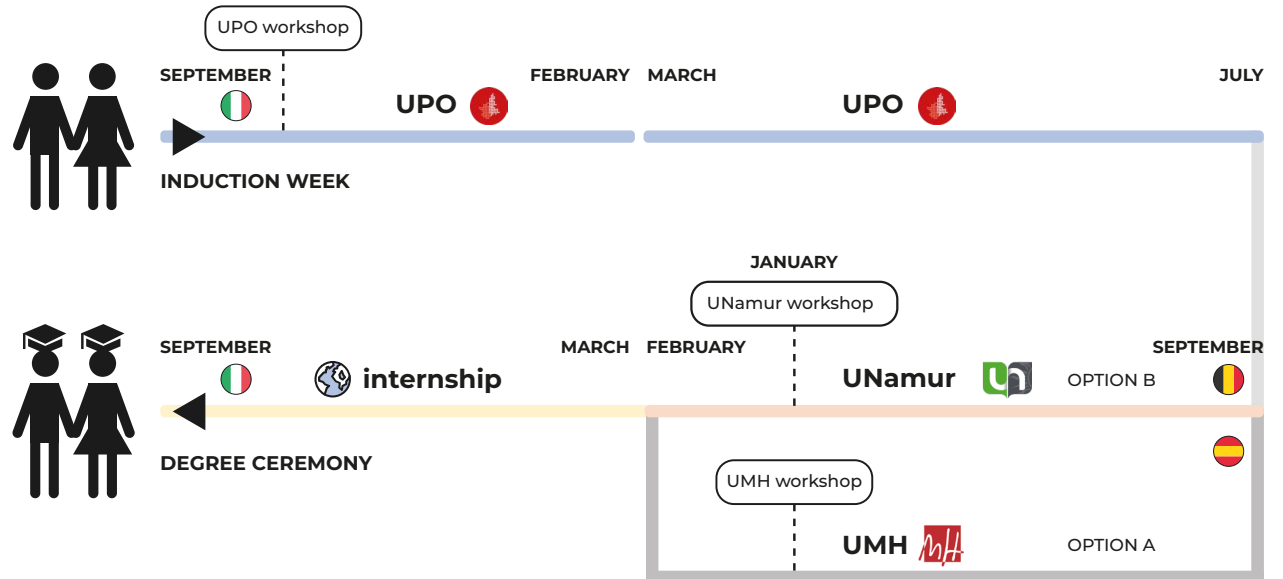

A program that offers an **international thriving environment**

A program that aims at breaking down the social, economic and geographical barriers by **facilitating equal access to participants**

A **full-time program** that entails an **intense mobility programme**

PROGRAM & MOBILITY

Two semesters in Italy and one semester in Spain (*non-clinical path*) or Belgium (*clinical path*), according to student's preference

A **six-month final elective project** (internship) either in **academia or industry**.

Three thematic workshops focused on **transferrable skills** or contents related to **hot trends in the field**.
